## Scenario Senior Management

Company President, Malcolm Batten, today formally announced the Scenario Co. senior leadership team. Robert Sirgiovanni and Paul Buckley will share responsibility for overall management and strategic vision as company Vice Presidents. Tom Stapleton will manage day-to-day activities as Director of Operations, whilst, Louis Sciuto will act as Chief Financial Officer.

President, Malcolm Batten, declared, “the combination of talent and experience of these four individuals ensures a future of innovation guided by discipline and trust.”

### *Robert Sirgiovanni - Vice President*

Robert has been a member of the Cockram team from 1987, and he became a director and shareholder in 2004. He has been instrumental in the success of the Cockram Scenario Project Team and has undertaken an expansive agenda for Scenario. He has strong client communication and coordination skills gained through extensive experience of complicated building services, refurbishment and pharmaceutical projects. Having lived in Asia for many years Rob is a regular speaker on the challenges and successes of the Construction industry in this market.

### *Paul Buckley - Vice President*

Paul founded Scenario in 1988, and has overseen the evolution and growth of the core team to international leadership. He has consistently pushed the envelope of innovation in construction and specialty fabrication for theme parks, incorporating parametric 3D digital modeling with robotic manufacturing before this became commonplace in the industry. He has built a team of managers, technical specialists, artisans and artists who have been stalwarts of the team from its inception. Quality, problem solving and safety are the guiding principles by which Paul will continue to lead the Scenario team forward.

### *Tom Stapleton - Director of Operations*

Tom is a founding member of the Scenario team. Through his committed focus, and talent for organizing complex projects, Tom has developed strong teams and individual relationships across the global theming industry. Through his background in construction and management, Tom has shepherded the evolution of Scenario from a niche specialty fabrication company to a well-respected international leader in its field. Tom has lead teams delivering multiple attractions in Los Angeles, Orlando, Tokyo, Osaka, Singapore, Hong Kong, Dubai and Shanghai. Tom’s patient and thoughtful approach in the often chaotic process of complex construction has continually delivered high quality projects for the most exacting of customers.

*Louis Sciuto - Chief Financial Officer*

Louis joined Cockram in 1996 and became a director and shareholder in 2004, following several years working for a multinational corporation specialising in international tax. Louis is highly skilled in business financial processes and has implemented and streamlined many of the accounting processes throughout Cockram. Louis is a registered tax agent and a 20 year member of the Australian Society of Accountants. He has the international experience and acumen to efficiently manage all Scenario's financial activities in the US, Asia and Middle East.

Scenario operates out of offices in Glendale, California; Shanghai, China and Dubai, UAE with an office soon to open in Hong Kong. A full profile can be found at [www.cockramscenario.com](http://www.cockramscenario.com).

**About Scenario**

Scenario is a multinational show contractor delivering comprehensive Contracting and Construction Management services for Attractions, Themed Lands and Theme Parks. Scenario's history of successful projects for top tier customers is enhanced by the resources and experience of Cockram Construction with an international management staff of over 500 and projects more than \$1B US under management.
