Scenario Makes Strategic Alliance With Amusement WhiteWater for Work in U.A.E.

Scenario, A Cockram Company, reaffirmed its commitment to providing turnkey resources for Theme Park projects in the U.A.E. with a JV agreement with Dubai based Amusement WhiteWater LLC.

Scenario President, Malcolm Batten, and AWW CEO Duarte Marques recently signed the JV agreement in Dubai that will establish an “Impressive combination of seasoned management and construction resources to take on the largest scale work in the region.” said Batten.

As many U.A.E. projects move forward from design into the construction phases this JV is uniquely positioned to provide teams that have multiple successful U.A.E. projects to their credit, along with 20 years of iconic level Theme Park construction services with a record of dozens of successful international projects for Disney, Universal, and other industry leading owners. AWW has had a key role in almost every successful Themed Attraction and resort in the U.A.E. for over twenty years and has unequaled capabilities in local themed construction.

Scenario operates out of offices in Shanghai, China; Dubai, U.A.E.; Hong Kong and Glendale, California. A full profile can be found at www.cockramscenario.com.
