Scenario is Staffing Up

Scenario is adding staff in its Los Angeles Production Centre as it begins a number of significant new projects including rockwork, Show Action Equipment, IP Figures and Show Sets. Scenario President Malcolm Batten noted that “we see an ongoing need for top flight professionals at every level of our business across design, production and management.” Scenario began the year with a core staff of that has now grown to over 50 and is on track to increase by 50% before end of the year.

In its design department Scenario has been adding experienced professionals with versatile skills covering 3DS Max, AutoCAD, Revit and a variety of BIM and 3D modeling platforms. Project and production managers, with shop and field experience manage a comprehensive set of production disciplines including rockwork, scenic art, metalwork, mechanical fabrication and sculpting, molding and casting to deliver theming for full Attractions and Lands

Recent completed projects include attractions and lands for Them Parks in Asia with new work beginning in Abu Dhabi and Malaysia.

Scenario operates out of offices in Los Angeles, California; Shanghai, China; and Hong Kong with new manufacturing and operational facilities opening up across Asia soon. A full profile can be found at www.cockramscenario.com.
